

Refund Policy

1. Scope of this Refund Policy

The main fees related to your visa application are as follows:

- **“Visa Fees”** are the fees ultimately paid to the Consulate for the receipt and processing of your application. Visa Fees are non-refundable and non-transferable, regardless of whether your application is ultimately granted, delayed or refused. TLScontact accepts no requests for refund of Visas Fees, such requests are not to be addressed to TLScontact.
- **“TLS Fees”** are the fees you pay to TLScontact for our services, namely:
 - **“Services Fees”**: the fees covering the collection of your application and transfer of the same to the Consulate;
 - **“AVS Fees”**: the fees related to the optional added value services (“AVS”) you may subscribe to.

The purpose of this Refund Policy is to clarify the conditions for the cancellation, rescheduling and refund of the TLS Fees. By placing an order with TLScontact, you acknowledge and accept the terms of this Refund Policy.

2. Services Fees

As a general rule, Services Fees are non-refundable nor transferable, even if you eventually decide not to submit or to withdraw your Application.

3. AVS Fees

At the exclusion of the specific AVS cases listed thereafter, you are entitled to a refund of the AVS Fees if you cancel the AVS before the service is delivered, even partially, or if you fail to attend your appointment.
