INFORMATION ABOUT THE OBLIGATION OF SOCIAL DECLARATION BY THE EMPLOYER		
The employer is informed about his responsability concerning declaration formalities (salaries and social contributions) in application of Art. L 243-1 of the French Social Security Code when he wishes to keep at his service during his stay in France the foreign employee he usually employs. He chooses the best way to declare the employee according to his situation. He can use the specific online service proposed by URSSAF. Upon request from the French administration, he will have to justify the declaration(s) of his employee(s) during his stay.
