In case an appointment is not available within the next 48 hours, the exhibitor can contact TLScontact call center on +66 (0) 2838 6699 from Monday to Friday, 08:00 to 16:30 (passport number or TLScontact reference number must be provided). Appearance in person at TLScontact

If your fingerprints were collected within the last 59 months, you won't have to give new fingerprints for your next visa application(s) and personal appearance is not necessary. Please provide a copy of your visa sticker issued after the 14.11.2013. If you are not sure or do not remember whether your fingerprints have been captured for a Schengen visa within the last 59 months, you have to appear in person.

General

Incomplete applications result in a serious delay in the processing of a visa application. It is of utmost importance to submit all documents listed above. Family members submit all documents according to our information sheet for a [Schengen tourism visa](#) available on our website. Complete applications will be processed in six to ten working days. The passport remains at the Regional Consular Center in Bangkok during the whole process, with exception of applications subject to prior consultation of the Schengen Member States (processing time up to three weeks). In this case, the applicant (or an authorized third person) can pick-up the passport at the Regional Consular Center in Bangkok during the [opening hours](#) four days after the submission of the visa application at TLScontact. If the visa can be issued, the applicant is requested to hand in the passport at the visa counter of the Regional Consular Center in Bangkok during the opening hours. The visa will be ready for pick up the next day.
