

Declaration Service and Visa Fees – Online Visa Application

I am aware that the external service provider, TLScontact Kenya will check the completeness of my online visa application. I have been informed that for the services of TLScontact Kenya (completeness check and registration of biometric data) I must pay a service fee.

To apply for a visa, I will have to pay:

- **Service fee** - collected for the processing of my visa application by TLScontact Kenya
- **Visa fee** - collected for the German Mission

The payment of the visa fee and the service fees do not give any guarantee or right that a visa will be granted. The visa fee and service fee are both non-refundable and non-transferable if the visa application is denied by the staff of the German Mission or if the applicant decides to withdraw the application. The amount for the service fee is determined by the German Government and can be found on the internet page of the German Mission and TLScontact Kenya.

I have been informed that the obligation to pay the service fee and visa fee comes into force when sending my application online for preliminary preview to TLScontact Kenya. Once my online visa application is complete, I will receive a link to book an appointment at the visa application center. I undertake to pay the relevant fees when asked to do so, latest during the on-site appointment when submitting my biometric data to the VAC.
